

## How to Log in to the Lane Ranger Portal

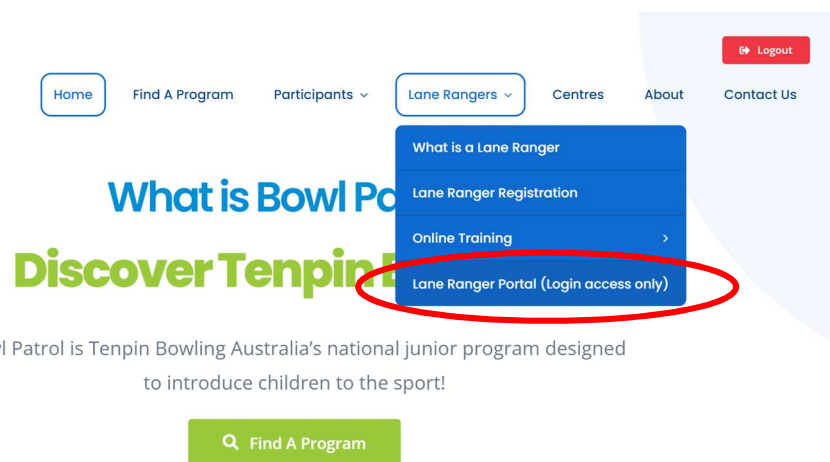

Bowl Patrol offers Lane Rangers, our program's accredited coaches, access to resources to assist in the delivery of Bowl Patrol programs. They're hosted on the Bowl Patrol website; [www.bowlpatrol.com.au](http://www.bowlpatrol.com.au) and are in a secure location, requiring a log in prior to accessing the information.

Only accredited Lane Rangers are given access, which is, they've completed their online registration and training and met the requirements of becoming a Lane Ranger. Interested in becoming a Lane Ranger? Visit <https://bowlpatrol.com.au/what-is-a-lane-ranger> to find out more.
